## **Process Displays Celebrates Fifth Year in the Fight on Cancer**

*(New Berlin, WI)* - Process Displays employees and suppliers turned out in record numbers this fall for the Fifth Annual Strike Cancer, Spare Lives bowling outing.

The Strike Cancer, Spare Lives bowling outing started out as way to show support for several employee's and family members who had been touched by the ravages of cancer.

"Thanks to the generosity of our employees and suppliers, this event continues to be very popular and successful," said Jessica Schneider, Vice President of Human Resources. "It's a great excuse to have fun with coworkers and suppliers on a Friday afternoon and the cause is near and dear to many of us," she added.

Over a five year period the Strike Cancer, Spare Lives event has contributed \$34,228 to the Froedtert Cancer Center in Wauwatosa and has contributed \$25,000 as a Platinum Benefactor to the annual Women in POP fight against breast Cancer.
